## Current Procedural Terminology - CPT © 2019 American Medical

- The MN legislature passed a law that requires certain clinics to report amounts for their 25 most frequent services that cost more than \$25.00. The services listed here do not reflect all of the services provided at this clinic.
- The amounts posted above DO NOT reflect the amount(s) each clinic patient will pay for the services listed.
- •Patients covered by commercial health insurance: Your health insurance company has likely negotiated a discount or contracted rate for each service. Your insurance company's negotiated price might be higher or lower than the average commercial payment amount listed above. To learn more about your health insurance company's negotiated price or how much you will owe under the terms of your specific health policy, please contact your health \*Definitions:

E/M: Evaluation and Management Service (Office clinic visit)

Preventive: Services indicated as preventive (non-illness related) performed during a wellness visit

CPT: CPT stands for Current Procedural Terminology. Clinics use this code to bill the insurance company for the services you received.

Average Commercial Insurance Payment: This is the average amount patients with commercial insurance pay for this procedure. You and your insurance company may split this cost. Your deductible, co-insurance, co-payment and coverage affect how much you'll pay. If you have questions
